Drain cover: **White ceramic cover shown**
Material: **Ceramic**
Standard finish: **Glossy white**

CERTIFICATIONS

CE certified

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy white finish highlights the geometric form and rounded transitions.

FORM & FUNCTION

The offset bowl leaves a practical shelf on the right for everyday toiletries. The integrated rear ledge accommodates a single-hole tap. The bowl incorporates a round overflow opening.

STANDARD FINISH

Glossy white shown. Six ceramic colour samples are illustrated alongside; confirm finish availability and order requirements with DIFANNI.

INDICATIONS FOR CLEANING

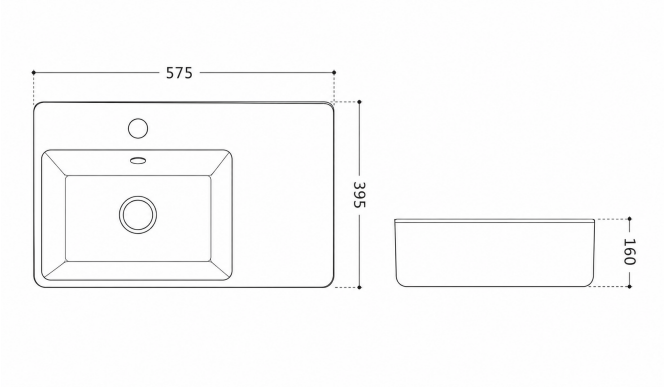

Clean with a soft microfibre cloth and mild soapy water, then dry with a soft cloth. Avoid abrasive pads and aggressive cleaning agents.

ACCESSORIES & OEM / ODM

Contact DIFANNI for tap and waste compatibility, accessory supply and OEM / ODM requirements. Confirm installation details and cut-out dimensions against the actual product before fabrication.

TECHNICAL DRAWING

All dimensions in millimetres (mm). Drawing not to scale.
Hole diameters, fixing details and cut-out dimensions are not specified in the supplied drawing.

CERAMIC COLOUR OPTIONS

Physical colour samples are indicative. Colours and finishes are subject to sample approval.

Product specifications are subject to confirmation. CE certification status supplied by the manufacturer; certificate / declaration reference not supplied in this sheet.
