MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy finish highlights the curved geometry and is easy to clean in everyday use.

FORM & FUNCTION

A rounded rectangular footprint combines gently tapered outer walls with a smoothly curved inner bowl. The basin has no tap hole or rear tap platform, leaving the rim continuous and uncluttered.

STANDARD FINISH

Glossy white ceramic as standard. Ceramic colour options are shown alongside; contact DIFANNI for availability and order requirements.

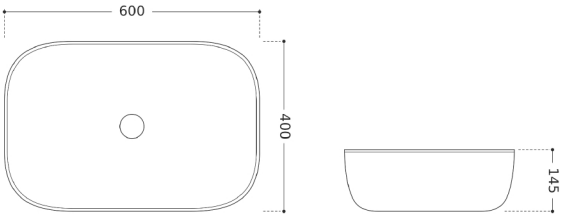

INDICATIONS FOR CLEANING

Clean with a soft microfibre cloth and soapy water, then dry with a soft cloth. Avoid abrasive sponges, solvents and strong alkaline cleaners.
