- Drain position: Near centre
- Drain cover: White circular cover shown
- Material: Ceramic
- Standard finish: Glossy white

CERTIFICATIONS

For product approvals and project documentation, contact the DIFANNI specification team.

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy white finish highlights the continuous curves of the rim and basin interior.

FORM & FUNCTION

Soft rectangular outline with generous rounded corners and a thin, continuous rim. The open bowl flows smoothly into the basin floor; the exterior narrows towards a compact base with rounded edges.

STANDARD FINISH

Glossy white ceramic. The six-colour palette is shown opposite. Contact DIFANNI for colour options and project requirements.

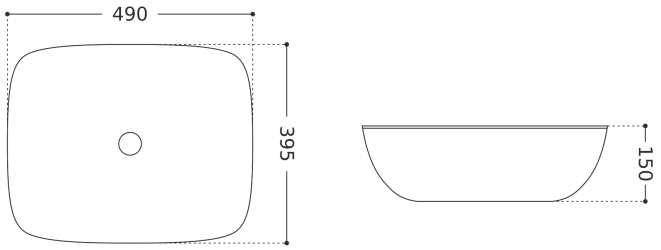

INDICATIONS FOR CLEANING

Clean with a soft microfibre cloth and soapy water, then dry with a soft cloth. Avoid abrasive sponges, solvents and strong alkaline cleaners that may damage the glazed surface.

ACCESSORIES & OEM / ODM

Pair with a separately mounted tap and a compatible waste set. Contact DIFANNI for accessory specifications, samples, pricing and OEM / ODM enquiries including ceramic colour, branding and packaging for project orders.

TECHNICAL DRAWING

All dimensions in millimetres (mm). Drawing not to scale for print.
