- Drain position: **Near the centre of the bowl**
- Drain cover: **White ceramic cover shown**
- Material: **Ceramic**
- Standard finish: **Glossy white**

CERTIFICATIONS

CE certified

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy finish highlights the crisp geometry and is easy to clean in everyday use.

FORM & FUNCTION

A rectangular footprint combines a flat front facade with softened edges. The 110 mm rear tap deck accommodates one mixer tap; a horizontal overflow sits beneath the tap hole.

STANDARD FINISH

Glossy white ceramic as standard. Ceramic colour options are shown alongside; contact DIFANNI for availability and order requirements.

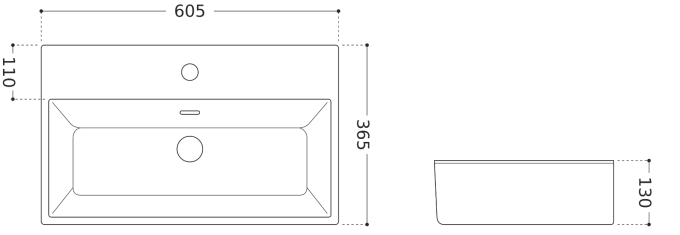

INDICATIONS FOR CLEANING

Clean with a soft cloth and soapy water, then dry. Avoid abrasive sponges, solvents and strong alkaline cleaners.

ACCESSORIES & OEM / ODM

For tap and waste compatibility, accessory supply and OEM / ODM options, contact DIFANNI. Ceramic colour, branding and packaging customisation can be discussed for project orders. Samples, technical drawings and pricing are available on request.

TECHNICAL DRAWING

All dimensions in millimetres (mm). Drawing not to scale for print.

Product, measurements and specifications shown are subject to change without notice. Please refer to the current price list for further information.
