- Drain cover: Matching white ceramic cover shown
- Material: Ceramic
- Standard finish: Glossy white

CERTIFICATIONS

CE certified

TECHNICAL DRAWING

All dimensions in millimetres (mm). Drawing not to scale.

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy finish highlights the precise geometry and is easy to clean in everyday use.

FORM & FUNCTION

An elongated rectangular bowl is paired with a 105 mm rear tap deck and a centred single tap hole. A horizontal overflow slot sits below the deck; the bowl slopes gently towards the drain.

STANDARD FINISH

Glossy white ceramic as standard. Ceramic colour options are shown alongside; contact DIFANNI for availability and order requirements.

INDICATIONS FOR CLEANING

Clean with a soft microfibre cloth and soapy water, then dry with a soft cloth. Avoid abrasive sponges, solvents and strong alkaline cleaners.

ACCESSORIES & OEM / ODM

For tap and waste compatibility, accessory supply and OEM / ODM options, contact DIFANNI. Ceramic colour, branding and packaging customisation can be discussed for project orders. Samples, technical drawings and pricing are available on request.

Product, measurements and specifications shown are subject to change without notice. Please refer to the current price list for further information.
