- Shape: **Rectangular with rounded corners**
- Tap platform: **Integrated rear ceramic platform**
- Tap hole: **Single, centrally positioned**
- Overflow: **Round opening on rear inner wall**
- Drain position: **On centreline, towards rear of bowl**
- Drain cover: **White circular ceramic cover shown**
- Material: **Ceramic**
- Standard finish: **Glossy white**

TECHNICAL DRAWING

All dimensions in millimetres (mm). Drawing not to scale for print.

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a glossy white surface. Smooth exterior walls and softly rounded edges emphasise the rectangular form, while natural highlights reveal the bowl contours.

FORM & FUNCTION

A 540 x 415 mm footprint and a height of 140 mm define the basin. The broad rear platform accommodates a single-hole tap. Rounded internal transitions lead into the gently sloping bowl floor and waste outlet.

STANDARD FINISH

Glossy white ceramic as shown. The ceramic colour samples alongside are for reference; contact DIFANNI to confirm finish availability and order requirements.

INDICATIONS FOR CLEANING

Clean with a soft microfibre cloth and mild soapy water, then dry with a soft cloth. Avoid abrasive sponges, solvents and strong alkaline cleaners.

ACCESSORIES & OEM / ODM

For tap and waste compatibility, accessory supply and OEM / ODM options, contact DIFANNI. Colour, branding and packaging customisation can be discussed for project orders. Samples, technical drawings and pricing are available on request.

Product, measurements and specifications shown are subject to change without notice. Please confirm details before ordering.
